INDIVIDUAL MEMBER

ULIS is a non-profit multi-stakeholder global network that supports lotteries in their mission to ensure integrity in sports. Its headquarters is based in Lausanne and it has operational hubs in Hong Kong, Copenhagen and Montreal. We offer a complete range of preventive (education and training) and supportive ecosystem of services (monitoring, detection, reporting, stakeholder & law enforcement collaboration) that are lottery savvy. Licensed State Lotteries, intergovernmental bodies, sports organizations, law enforcement authorities and regulators can all seamlessly collaborate and exchange information under one roof.

The statutory requirements to become an individual member are reflected in Article 3.2 as follows:

Any organization is eligible for individual membership that:

- a) conducts sports betting (also pari-mutuel)
- b) is a member of the World Lottery Association (WLA) or EL / CIBELAE / ALA / APLA / NASPL
- c) maintains business practices that are in conformity with the Association's aims and objectives

Additional requirements to become Individual Member:

- The applicant must be licensed or authorized to conduct sports betting operations by a jurisdiction domiciled in a state recognized by the United Nations. ULIS Members operate only in jurisdictions in which they are licensed by the respective regulatory authority.
- The majority of the organization's net revenues must be dedicated to the public good.
- The organization must be active in promoting sport at national level and supporting grassroots sports.
- The organization commits to financially support the activities of the Association with the applicable membership fee

The benefits for Individual Members include:

- Transmissions of relevant alerts at global level from the ULIS operational team
- Access to the ULIS monitoring platform
- Provision of education and prevention tools
- Regular transmissions of key information on sports integrity policy and regulatory developments
- Right to ask for full detailed analysis on a certain competition

- Sponsorship opportunities in relation to Sports Integrity Events organized by ULIS
- Quotes and statements in ULIS communications and website as ULIS individual members
- Right to refer to ULIS in public statements and use of the ULIS logo for relevant purposes following prior communication to ULIS General Secretariat
- Access to monitoring reports updates
- Speaking opportunities at events

Obligations of ULIS Members :

ULIS Members are obliged to share the following information with the ULIS Monitoring Secretariat:

- Reporting any unusual odds movements observed in accordance with the ULIS framework
- Any views which may explain deviating/suspicious odds movements
- Geographic area where the bets are taking place

Membership fee explanation:

While Lotteries only offering toto are subject to a flat fee (CHF 2'500 per year), Lotteries offering fixed odds contribute based on the level of their GGR on sports betting. However, certain considerations of the offer are taken into account, so that Lotteries that either are less active in sports betting or pose less risks, see their membership fee deducted by little. For the first year, Lotteries offering fixed odds are subject to the entry fee of CHF 5'000.
