TRENDS

- We have more alerts shared in October 2024 compared to September 2024 which may be due to a significant increase on alert of Indian lower league's matches.
- Asian football alerts took up almost 50% of the alerts shared in October 2024.
- In October 2024, European and Asian football takes up the majority of the red alerts as usual.
- Two-third of red alerts are related to third-tier or lower tournaments
- We have shared more numbers of red alerts compared to October 2023. There were 34 red alerts in October 2024 while in October 2023 we had 24 red alerts.
