TRENDS

- We have a decreasing number of alerts shared in December 2023 compared to December 2022 which may be explained by the end of some of the tournaments.
- In December 2023, Asian football takes up the majority of the red alerts.
- There were also some suspicious matches in Basketball and Ice Hockey. Our members have provided information on different tournaments.
- We have shared similar number of red alerts compared to November 2023. There were 20 red alerts in December 2023, while in November 2023 we had 18 red alerts.
