TRENDS

- We have an increasing trend on the amount of alerts shared in October 2023 compared to September which may be explained by receiving more information of different sports from members and partners.
- In October 2023, Asian and European football takes up the majority of the red alerts.
- There were also increased number of alerts related to Handball, Volleyball and Ice Hockey matches thanks to member information.
- We have shared similar number of red alerts compared to October 2022. There were 23 red alerts in October 2023 while in October 2022 we had 19 red alerts.
