TRENDS

- We have an increasing trend on the amount of alerts shared in September 2023 compared to August which may be explained by receiving more information of different sports from members and partners.
- In September 2023, Asian football takes up the majority of the red alerts.
- There were also increased number of alerts related to E-sport and Beach Soccer matches thanks to member information.
- We have shared more red alerts compared to September 2022. There were 31 red alerts in September 2023 while in September 2022 we had 14 red alerts.
